

# Biddy Basketball 2012

Biddy Basketball is an introductory program that is specifically designed for kindergarten through second grade children. It is a 6 week program with 3 weeks of practice then 3 weeks of games. During practice the fundamental skills and rules of basketball are taught through special skill drills that are geared towards this age group. We work hard to create a positive atmosphere where children can grow and learn the sport of basketball. Most importantly...we have a great time while doing it!

Class #	Day	Time	Age Group
